

Kansas Agricultural Pesticide Collection Event

FREE Collection Event for Agricultural Pesticides and Empty Pesticide Containers!

Any farmer or rancher operating in Kansas is eligible for the event. We will accept any current, canceled, unwanted, obsolete, or damaged pesticide or herbicide. There are no fees to pay or questions asked for pesticides.

Also accepting empty triple rinsed pesticide containers for recycling from applicators, farmers, and ranchers! *Registration for recycling is required.*

For more information about both events and instructions regarding the empty pesticide containers please check out our website. We do ask that you register on our website to have free container recycling bags mailed to you prior to the event. Additional requirements for minibulks.

Location

Ford County HHW
10974 113 Road
Dodge City, KS

Time

October 8th, 2011
10am to 2pm
