CONDITIONS

1. The Chief Engineer specifically retains jurisdiction in the matter of this transfer with authority to make changes in the transfer or to revoke the transfer to protect the public interest or to prevent impairment of another water right or permit.
2. This transfer shall end at the end of the 5 year allocation period in which it was requested, or at an earlier date specified on the bottom of the front page.
3. The place of use for the transferred allocation is the same as the place of use authorized by the recipient's water right or permit.
4. The use made of transferred allocation is the same as the authorized use under the recipient's water right or permit.
5. The use of the transferred allocation is governed by the terms, limitations, and conditions of the recipient's water right or permit.
